## OFFICIAL CALL FOR NOMINATIONS

In concurrence with the By-Laws of the Iowa Numismatic Association, I hereby make the official call for nominations for the officers of the I.N.A. for the years of 1993-94. Any member in good standing may nominate a candidate for the offices of President, First Vice-President, Second Vice-President, Secretary-Treasurer, and Directors. You may nominate people from your own District to serve as District Directors, but no more than two Directors from any one District. In addition, candidates for Director-at-Large may be nominated. Nominations must be mailed to the Second Vice-President, Dean Peterson, 4232 Orleans, Sioux City, Iowa 51106, NO LATER THAN THE 20TH OF JUNE. Ballots will then be mailed to each 1992 member of the I.N.A., so their vote may be mailed in to the Secretary.

Remember, under this format, each member has a voice in the elections, and need not be present at the I.N.A. Convention to be heard.

In accordance with the By-Laws, the Chairs (President and Vice-Presidents) must be filled by persons who have served as Directors or Officers of the I.N.A. It is your privilege to exercise your rights as a member, to nominate and to vote. Be sure to exercise that right.

Owen C. McKee, President, I.N.A.

## FROM THE PRESIDENT:

It has been a wild ride for the past two years as President and Editor for the I.N.A., Chairman for the Mahaska County Democrats, and President for the Ottumwa Coin Club. Each job and possibly even my Auction service and Coin business have been slighted to some degree, but I find that it is imperative to be involved. In this, an election year nationally as well as for our club it is essential that you also become involved. I don't care what party you align with just make sure you are active and let your views be known for the sake of our club and country. Increasing legislation not only effects the status of our collecting, the cost (in red tape) of the material we need to purchase from other dealers, but also our inalienable right to freedom of choice. We as a group must stand against government bureaucracy. I.R.S. involvement in our hobby, over taxation by zealous politicians looking for quick solutions, even rights that many of us have taken for granted such as our right to protect our selves and our property.

This year has been rather unique, and this term that I have served has seen a lot of changes. The I.R.S. rules on reporting purchases of bullion, the possibility of more sales taxes, the riots in Los Angeles, the bankruptcy of more dealers, and the obstruction of business by some members of the government. And the solution is... (now this is scary, to actually offer solutions instead of just pointing out the problems and letting others handle them) Become involved politically, whether you are Democratic, Republican, or Independent let others know your opinion. Be willing to defend your rights, through speech, through the ownership of firearms (Remember the shop owner in L.A. who kept the rioters from burning his business), and through correspondence with your candidates and legislatures. Make sure you are right! And finally, help others see the Light.

In conclusion, as I am preparing to leave the office as President, I also intend to give up the position as Editor for the I.N.A. I still hope to occasionally write articles for the I.N.A. but I need to allow others to take over the task of organization and ect. so I can continue in other areas. It is my desire that you also forward to your Directors suggestions of people who are capable and willing to fill this vacancy. The new President will be in charge of appointing someone to this position but I know he/she will find it very helpful to have a list of names to draw upon.

I want to thank the Directors for the I.N.A. as well as other officers for making this a very successful term. I am not quite signing off yet as you will be receiving a couple more issues of the Iowa Collector this year but at least I am beginning to wind down.

Sincerely Yours,  
Owen C. McKee
